Sl. No.	The school is directed to ensure that :
1	The total number of sections of the school shall be restricted to 14 only. School shall not increase the number of sections and any further increase in sections shall be strictly subject to specific approval of the Board on the basis of the request of the school as per affiliation bye law subject to availability of class rooms of greater than 500 sq ft dimension.
2	The school has undertaken to shift the Computer Lab, Library and Activity room presently running in basement to the upper floors and shall not use the basement in future for any student related activities. School is directed to comply the same instantly and upload the compliance on SAAS portal within 03 months.
3	The ramp at the entrance of school building is having slippery floor by use of common tiles and is not recommended for safety purposes, particularly during rainy seasons. School should construct the ramp as per provisions of the RPwD Act, 2016 and Board guidelines vide circular no 05/2023

	(https://saras.cbse.gov.in/SARAS/Circulars/Circular05_2023.pdf) to make it safe and usable by the CwSN.
4	The school building is Ground + 2 floors and it has not made CwSN toilet for boys and girls separately at each floor Girls with all recommended facilities and infrastructure as per circular no 05/2023. There are no CwSN toilets for Girls at second floor. The CwSN toilets for Boys at second floor is constructed on the platform which is one step up to the ground level and has narrow entrance for entry and navigation of wheelchair. No change is made in the CwSN toilets for boys and Girls at ground floor. The entrance of toilets is narrow with less space to make the movement and navigation of the wheelchair. Further the toilets at ground floor are at higher platform without any ramp. School is directed to make the CwSN toilets at each floor separately for boys and girls with all recommended infrastructure as per RPwD Act and the Board guidelines vide circular no 05/2023 and upload the compliance on SARAS portal with videography link within 03 months.
5	The composite Science Lab is temporarily arranged with single work station. The work stations for chemistry and biology sections are arranged on small slabs near the walls which is not sufficient and suitable for construct of practical works. School should follow the Board guidelines and circular no 11/2022 (SoP for recommended infrastructure in Labs, Library and Sports) to develop and arrange for the labs. The lab has plastic chairs and other items like tray etc which are not safe due to inflammable chemicals and heating facility in the science lab. School is directed to follow the Board guidelines for Labs, Library and sports vide circular no 11/2022 and develop the lab with all required facilities and upload the compliance on SARAS protal with youtube video link within 03 months.
6	Math Lab is under stocked and hence temporarily arranged in classroom with insufficient seating arrangements for the users. Only one table as work station is available at the centre whereas the charts and hand made modules are placed at slabs near the walls just for display. The lab is not suitable for conduct of project/module work on slabs having no space. There is no internet facility and computers/projectors to make e-learning in the lab. School is directed to adhere to the SoP (circular no 11/2022) and upgrade the math lab as per Board guidelines and upload the compliance on SARAS portal within 03 months.
7	Again, the Computer Science lab is also under stocked with 25 computer nods only against the total 650 students. School has not developed and upgraded the computer lab with required infrastructure as per the Board guidelines (SoP vide circular no 11/2022) and affiliation bye laws. School is directed to upgrade the lab with required infrastructure as per circular no 11/2022 and upload the compliance on SARAS portal within 03 months.
8	School has purchased another piece of land (6500 sqr mtr) claiming the total land 15900 sqr mtr vide land certificate no. 410 dated 10/10/2023 and the same is uploaded on school website in Mandatory Public Disclosure. The school is directed to get the land corrected in OASIS data and to apply for land correction in the SARAS portal.
