**"EDUCATION IS WHAT REMAINS AFTER ONE HAS
FORGOTTEN WHAT ONE HAS LEARNED IN SCHOOL."
– ALBERT EINSTEIN**

With over 25 years in the field of education, I feel proud to have contributed to shaping countless young minds across the Shekhawati region. My journey as a Principal has been filled with learning, leadership, and a deep-rooted commitment to academic excellence.

Now, as the Academic Director of Gudha Education Hub, I carry with me a vision of transforming education into a holistic, value-based experience. I believe education must go beyond books and exams—it should develop critical thinking, creativity, emotional intelligence, and ethical values. My goal is to build an environment where curiosity is nurtured, innovation is encouraged, and every child feels empowered to reach their full potential. A CBSE institute, in my view, must integrate modern learning with Indian cultural values. I am dedicated to making our school a space where students are prepared not just for exams, but for life.

One initiative that truly reflects this spirit is our school magazine, Sunshine. Sunshine is more than just a publication. It is a celebration of our students' thoughts, dreams, and creativity. As an educator, I find great joy in seeing young minds express themselves through poetry, stories, articles, and artwork. This magazine captures the true essence of our school community.

I encourage every student to contribute, to express, and to shine through these pages. Sunshine is our shared voice—one that reflects imagination, growth, and excellence.

A seminar on "How to Secure 95+ in CBSE Board Exams" was held at Gudha International School on August 29, 2025, for students of classes 10 and 12. The seminar was led by **K. Satyendra**, the Managing Director of Gudha Education Hub, and was hosted in the school's main auditorium.

Seminar Highlights

K. Satyendra's session focused on practical strategies and a disciplined approach to preparing for the CBSE board examinations. He emphasized several key points:

Time Management: He stressed the importance of creating a realistic study timetable that allocates sufficient time to each subject. He advised students to prioritize subjects based on their individual strengths and weaknesses.

Conceptual Clarity: The speaker advised students to focus on understanding concepts rather than rote memorization. He explained that a strong foundational understanding is crucial for solving application-based questions, which are increasingly common in board exams.

Regular Revision and Practice: He highlighted the necessity of consistent revision and solving previous years' question papers. This practice helps students become familiar with the exam pattern and improves their speed and accuracy.

Stress Management: K. Satyendra also touched upon the mental aspect of exam preparation. He encouraged students to maintain a positive attitude, take short breaks, and engage in recreational activities to manage stress and prevent burnout.

In addition to these strategies, K. Satyendra delivered a powerful motivational message. He encouraged students to believe in their potential and to view the board exams not as a burden but as an opportunity to showcase their hard work. He shared stories of past students who overcame challenges to achieve their goals, emphasizing that dedication and consistency are more important than innate talent. His words were aimed at inspiring students to stay resilient and focused, even in the face of difficulties. The students were clearly motivated, with many nodding in agreement and taking notes.

The seminar was highly informative and well-received by the students. The practical tips and motivational words from K. Satyendra provided a clear roadmap for achieving high scores. **Principal Mr. C.S. Sangwan** concluded the event by thanking K. Satyendra for his inspiring and insightful session. The seminar successfully equipped students with the knowledge and motivation needed to approach their upcoming board exams with confidence.
